SUNDAY REFLECTION

When the disciples came to Jesus with the request to dismiss the people to go find food, Jesus challenged them with the question: *Why do you not give them something to eat yourselves?* That question should haunt us today.

More than enough food is grown to feed everyone on this planet. *Why do you not give them something to eat yourselves?*

More than 60,000 people will die of hunger on this feast of the Body and Blood of Christ. Two-thirds of them will be children. *Why do you not give them something to eat yourselves?*

Nearly one in five people world wide is chronically malnourished - too hungry to lead a productive active life. *Why do you not give them something to eat yourselves?*

One-third of the world's children are significantly underweight for their age. *Why do you not give them something to eat yourselves?*

The amount of money the world spends on weapons in one minute could feed 2,000 malnourished children for a year. *Why do you not give them something to eat yourselves?*

Jesus is our *living bread*. It is his obvious intention that we be well fed. The Eucharist, a great gift from the same God that sent the manna in the desert, should strengthen the determination of both the hungry and the satisfied to do what it takes to eliminate hunger.

“If a person is in extreme necessity, he has the right to take from the riches of others what he himself needs.”

Vatican II, Constitution on the Church in the Modern World (1965)69

Did You Know ? Holy Rosary Church has Pre-Authorized Remittance. If you have automatic payments going through your bank account for insurance, cable, taxes or mortgage, then you understand the **P.A.R.** principle.

Many people find this a convenient way to support the church using a monthly amount of their choosing. Information is available at the entrances of the church or by calling the church office. **Are you on P.A.R.?**
