## «RISURREZIONE DEL SIGNORE»

Solennità - 20 aprile 2025

*È sulla Pasqua, sulla risurrezione di Cristo, che si fonda la nostra fede. È il Signore Gesù la pietra scartata dai costruttori che è diventata la pietra d'angolo: una meraviglia ai nostri occhi.*

A large cross covered with a purple cloth is held up at the entrance of the nave. A third of the cloth is removed. "This is the Wood of the Cross on which hung the Savior of the world," the priest sings. The cross is brought to the center of the church. The second third is removed. Again the priest sings, "This is the Wood of the Cross on which hung the Savior of the world." The same is repeated in the front. And the people come up to venerate the cross that brought us salvation. They come up to give their burdens to the One who hung on the cross for them.

A large candle is brought into the darkened church. Its light illuminates the church. In the same three places where the cross was unveiled, the priest sings out, "Light of Christ," and the people respond, "Thanks be to God." The One who hung upon the cross has brought light to a world suffering in its own darkness.

And Jesus Christ, the Eternal Word of the Father, killed in his humanity, has risen from the dead. And we have risen with Him. We have risen from the stranglehold of the devil. We have risen from evil, from the empty promises of materialism, and from the idolatry of selfishness. We have risen to a new life, the life of baptism, the life of Jesus Christ, the life of the Trinity, the life of Easter. We are the Easter people. We have received the resurrected life of the Lord at our baptism.

The cross and the candle unite sacrificial love to eternal life. We pray today for the courage to bring His life to others. For that is what it means to be an Easter people, the pilgrims of Hope!

**Happy Resurrection with Christ to us all!**

*Fr. Janusz Roginski, S.A.C.*
